Turkey v. EU Background Background

- Video

Motion: Turkey should join the European Union

- The handout you were provided has arguments FOR and AGAINST Turkey joining the European Union based on the following categories:
 - Geography
 - Politics
 - Economics
 - History, Culture, Religion
- As you read both sides of the argument, circle the side that you agree the most.
 - Consider what you value the most when thinking about relationships between countries. What do you value the most? History? Economics? Geography?

Motion: Turkey should join the European Union
