## ALUMNI

Mr. Robert Harold Koehler, B. M. E. 1925, is a member of the Cadet Engineering course given by Bailey Meter Company, Cleveland, Ohio. He has recently applied for Junior Membership in the American Society of Mechanical Engineers.

Mr. Howard William Harrison, B. M. E. 1925, is with the Worthington Pump and Machinery Corporation at Harrison, N. J. He has recently applied for Junior Membership in the American Society of Mechanical Engineers.

John M. Jervis, B. M. E. 1922, has left the employ of the St. Louis Pump and Equipment Company and has joined the sales force of the Monarch Pump Company, Miami, Florida.

---

Dr. James R. Withrow, of the Department of Chemical Engineering, Ohio State University, represented the chemists of central Ohio at the meeting of the Council of the American Chemical Society, at Tulsa, Oklahoma. Dr. Withrow read a paper from the Chemical Engineering Department before the Petroleum Division of the American Chemical Society, of which Col. G. A. Burrell, old Ohio State graduate in Chemical Engineering, is Secretary. The paper is by Mr. A. H. Vilbrandt and Dr. James R. Withrow, entitled "The Bleaching of Certain Gasolenes in Sunlight and Their Coloration on Storage in the Dark."

---

Mr. M. A. Muskopf, graduate of the Department of Chemical Engineering, Ohio State University, has become a Fellow in the United States Bureau of Standards, directing investigation of slags for the American Slag Association.

---

Mr. George F. Friauf, graduate of the Department of Chemical Engineering, Ohio State University, is now employed as Assistant Operator by the Pennsylvania Atlas Chemical Company, Washington, Penna.
