
EDITORIAL ANNOUNCEMENT

It has come to the attention of the Editor that some misunderstanding exists about the length of papers acceptable by the Ohio Journal of Science. Submitted papers may be of any length, but where extensive tabular material or lists are involved, we usually suggest that these be deposited in some accessible herbarium, museum, or other permanent archives and that the paper expand on the analysis and comparison of the deposited material. Usually 12 to 16 double-spaced typewritten pages will become 3 to 4 printed pages in the two column format of the Journal. Extended papers or papers with several tables, charts, or half-tones will tend to run a little longer and may require page charges. We would like to encourage you to submit papers of quality, regardless of length, provided that they are in an acceptable form for the OJS.

ANNOUNCEMENTS

The world's first exchange of geographers between the United States and the People's Republic of China has been approved by the Scientific and Technical Association in Peking. A ten member delegation from the Ohio Academy of Science will visit China in August, 1977 and in exchange ten Chinese will be hosted here in August, 1978. The Chairman of the Academy's delegation is Akron (Ohio) University Professor of Geography Allan G. Noble. Other members include: Professor Laurence J. C. Ma, Assistant Leader and Professor Lathardus Goggins, University of Akron; Professor Jordan A. Hodgkins, Kent State University; Professor Donald W. Lewis and Laurence A. Hoffman, University of Toledo; Professor Clifton Pannell, University of Georgia; Professor James F. Osborn, University of Chicago; Professor Christopher L. Salter, University of California at Los Angeles; and Professor Jack F. Williams, Michigan State University.

The Cooperative College Register has been re-established as a communications link and matching service for positions and position-seekers for higher education. Write for details: Cooperative College Register, 621 Duke Street, P.O. Box 298-A, Alexandria, VA 22314.

The 1978 Annual Meeting will be held at Wright State University Friday, Saturday and Sunday, April 21, 22, 23, 1978 in Dayton, Ohio.

A Report of the Necrology Committee appears at the end of this issue of *The Ohio Journal of Science*. An audited financial statement for 1976 may be obtained from the Executive Office, 445 King Avenue, Columbus, Ohio 43201.
