

## INDEX TO VOLUME 74

- Acuera*, studies of Gyponinae, 185  
 Adaptations at cell and organelle level for utilizing sunlight, 339  
 Alaskan-Arctic Mosses, element contents of, 55  
 Albrecht, Carl W., 126  
 Alkalinities in Quartz Sands of High Dunes, possible origin of unexpectedly high, 182  
 Ames limestone, bryozoan *Fistulipora candida* from, 141  
*Ancudana*, new genus and species of Chilean leafhopper, 261  
 Arousal rates and body temperature of two species of bats, 296  
 Avian hosts, occurrence of helminth parasites in, from South Bass Island, 60
- Bates, R. L., book review by, 334  
 Black, C. C., 339  
 Body temperature and arousal rates of two species of bats, 296  
 Book Reviews  
 A guide to the literature of Ohio's natural areas, by Lynn E. Elfner, Ronald L. Stuckey and Ruth W. Melvin, reviewed by E. D. Rudolph, 335  
 Cedar Bog Symposium, Urbana College November 3, 1973, sponsored by Ecology Committee and the Conservation of the Ohio Academy of Science and Urbana College, edited by Charles C. King and Clara May Frederick, reviewed by E. D. Rudolph, 312  
 Chemical mutagenesis in mammals and man, edited by Friedrich Vogel and Gunter Roehrborn, reviewed by George M. Hocking, 238  
 Conservation of natural resources, 4th edition, edited by Guy-Harold Smith, reviewed by Jane L. Forsyth, 139  
 Flora boreali-Americana, by Andre Michaux, reviewed by Ronald L. Stuckey, 272  
 Geographical ecology, patterns in the distribution of species, by Robert H. MacArthur, reviewed by Rodger Mitchell, 144  
 Great Lakes Basin, parts I and II, by Helen Hauck, reviewed by Jane L. Forsyth, 35  
 Introduction to ecology, by Paul A. Colinvaux, reviewed by Stephen H. Vessey, 140  
 Limnological studies of the island area of western Lake Erie, by N. Wilson Britt, James T. Addis and Ronald Engel, reviewed by David C. Cooper, 140  
 Mushrooms in their natural habitats, by Alexander H. Smith, reviewed by Roland Seymour, 272  
 New publications received, compiled by Ann W. Rudolph, 332  
 Potential use of beneficiated Ohio clay in the rubber industry, by Richard W. Carlton, reviewed by Ohio Division of Geological Survey, 272  
 Silurian Rock Salt of Ohio, by Michael J. Clifford, reviewed by Robert L. Bates, 334  
 Size and form in plants, by F. O. Bower, reviewed by V. Raghavan, 334  
 Statistical thinking: a structural approach, by John L. Phillips, Jr., reviewed by Lawrence A. Weller, 260  
 The armillary sphere, designed by Seymour Robins, reviewed by Paul L. Byard, 161  
 The effects of ecological changes on Buckeye Lake, with emphasis on largemouth bass and aquatic vascular plants, by John B. Judd and Stephen H. Taub, reviewed by Robert D. Burkett, 335  
 Tropical macrofungi—some common species, by M. H. Zoberi, reviewed by Roland Seymour, 244  
 Boullion, T. L., 273  
 Brachiopods, Mississippian discinid, attached to soft-bodied organism, 174  
 Brenner, F. J., 239, 296  
 Brose, D. S., 36  
 Brown, R. H., 339  
 Bruggers, R. L., 282  
 Bryozoan, *Fistulipora candida* from Ames limestone of Ohio, 141  
 Bryozoan, *Pottsiella erecta*, occurrence of freshwater, 245  
 Bullfrog, *Rana catesbeiana*, eye-lens weight of, 282  
 Burkett, R. D., book review by, 335  
 Byard, P. L., book review by, 161
- Campbell, W. H., 339  
 Cedar Bog, geologic conditions essential for perpetuation of, 116/Cedar Bog, ice-lens mounds, 133/Cedar Bog, Lepidoptera of, 126/Cedar Bog, natural history of vascular flora, 65  
 Chew, Robert M., 359  
 Cincinnati region, pre-Illinoian lake clays of, 214  
 Consumers as regulators of ecosystems, 359  
 Cooper, C. L., 60, 388  
 Cooper, D. C., book review by, 140  
 Copper, iron, zinc, magnesium, manganese and calcium content of Western basin of Lake Erie, 325  
 Crites, J. L., 388
- Dalgarn, D., 150  
 Decarlo, R. L., 145  
 DeLong, D. M., 185, 261  
 Deltoccephalinae, new genus, *Ancudana*, and new species of Chilean leafhopper, 248  
 Diatom communities, effect of sewage treatment plant effluent on, 154  
*Dicranum scoparium*, effects of temperature on metabolic pattern by the moss, 200  
 Distribution of phytoplankton communities in southeastern Ohio pond, 313  
 Downhower, J. F., 337
- Eastern Cincinnati region, middle and upper ordovician reference standard for, 47

- Ecosystems, consumers as regulators of, 359  
 Edge enhancement, application of the third-order transfer functions for, of signals from scanned imaging systems, 248  
 Element contents of three Alaskan-Arctic mosses, 55  
 Energetics of endotherms, 370  
 Energetics and fitness, 337  
 Energetics of plant communities, role of diversity in, 351  
 Energy allocation in ephemeral adult insects, 380  
 Environmental education in United States, status report, 1974, 390  
 Ephemeral adult insects, energy allocation in, 380  
 Ettensohn, F. R., 214  
 Everett Knoll, late Hopewellian site in northeastern Ohio, 36  
 Eye-lens weight of bullfrog, *Rana catesbeiana*, 282  
 Fatty acids of roots of selected species, 150  
 Pettis, H. E., 248  
*Fistulipora candida*, bryozoan from ames limestone of Ohio, 141  
 Fitness, energetics and, 337  
 Five-year study of hibernating colony of *Myotis lucifugus*, 239  
 Forsyth, J. L., 116, 182, book review by, 35, 139  
 Fratianne, D. G., 291  
 Frederick, C. M., 65  
 Freytag, P. H., 185  
 Pullmer, J. Z., book review by, 395  
 Gartman, D. K., 162, 330  
 Gebel, R. K. H., 248  
 Geologic conditions essential for perpetuation of Cedar Bog, 116  
 Gesinski, R. M., 145  
 Good, C. W., 287  
 Gooding, A. M., 226  
 Gordon Creek re-evaluation of man-made modifications on, 162  
 Graffius, J. H., 313  
 Gyponinae, studies of, 185  
 Hamilton, E. S., 182  
 Harper, Jr., H., 47  
 Helminth parasites in avian hosts of South Bass Island, 60  
 Helminth parasitism in juvenile house sparrows, *Passer domesticus*, 388  
 Herdendorf, C. E., 1  
 Hoare, R. D., 141  
 Hocking, G. M., book review by, 238  
 Holmes County, Ohio, vascular plants of, 277  
 House sparrows, helminth parasitism in, 388  
 Hurt, D., 150  
 Ice-lens mounds, Cedar Bog, 133  
 Incorporation of <sup>14</sup>C by the moss, *Dicranum scoparium*, effects of temperature on, 200  
 Interglacial deposits, stratigraphy and pollen analysis of Yarmouthian, 226  
 Jackson, W. B., 282  
 Jezerinac, R. F., 263  
 Kapp, R. O., 226  
 Kolodziej, B. J., 325  
 Kovacic, T. L., 1  
 Kuntz, C. S., 133  
 Leafhopper, *Ancudana*, a new Chilean genus and species of, 261  
 Lepidoptera of Cedar Bog, 126  
 Lettuce seed germination, effects of *Xanthium* leaf extracts on, 291  
 Lewis, T. O., 273  
 Littler, M. M., 313  
 Longbrake, E., 209  
 Lowe, R. L., 154  
 Maciorowski, A. F., 245  
 MacLanahan, J., 150  
 Management predictions of territorial bird populations, a model, 301  
 Man-made modifications on Gordon Creek, effects of, 162  
 Martinson, C., 261  
 McClelland, S. R., 145  
 McCullough, J. M., 154  
 McNab, B. K., 370  
 McNaughton, S. J., 351  
 Mercury occurrence in sediment cores from western Lake Erie, 1  
 Miller Blue Hole, observations of a one day scuba investigation at, 330  
 Mississippian discimid brachiopods attached to a soft-bodied organism, 174  
 Mitchell, R., 150  
 Mitchell, Rodger, 337, book review by, 144, 000  
*Myotis lucifugus*, five-year study of hibernating colony of, 239  
 Natural history study of vascular flora of Cedar Bog, 65  
 Newman, D. W., 150  
 Ohio Academy of Science, necrology, 266; officers, committees, and Academy representatives for 1974-75, 264  
 Ohio Division of Geological Survey, book reviews by, 272, 350, 389  
 Ohio Journal of Science, list of reviewers of papers during 1973, 62  
*Orconectes virilis*, a record of, from Ohio, 263  
 Ordovician standard, American upper XIX reference for eastern Cincinnati region, 47  
 Parker, R., 145  
*Passer domesticus*, helminth parasitism in juvenile house sparrows, 388  
 Pennsylvanian (Monongahela group) of southeastern Ohio, structurally preserved plants from, 287  
 Peterson, R. M., 141  
 Physiological responses of albino rat to injections of potato beetle hemolymph, 145  
 Plant communities, role of diversity in energetics of, 351  
 Plants, structurally preserved, from Pennsylvanian (Monongahela group) of southeastern Ohio, 287  
 Poder, T. C., 145

- Pollen analysis and stratigraphy of Yarmouthian interglacial deposits in south-eastern Indiana, 226
- Portage River, effect of sewage treatment plant effluent on diatom communities of, 154
- Potato beetle hemolymph injections, effects of, on albino rat, 145
- Pottiella erecta*, occurrence of freshwater bryozoan in Lake Erie, 245
- Pre-Illinoian lake clays of Cincinnati region, 214
- Price, P. W., 380
- Quadratic matrix equations, 273
- Raghavan, V., book review by, 334
- Rastorfer, J. R., 55
- Rice, S. D., 145
- Richards, P. R., 174
- Robertie, P., 339
- Roberts, M. L., book review by, 387
- Roots of selected species, fatty acids of, 150
- Roth, R. E., 390
- Rudolph, E. D., book review by, 312, 335
- Savidge, I. R., 301
- Scanned imaging systems, third-order transfer functions for edge enhancement of signals from, 248
- Science education, alternatives in, 209
- Scuba investigation of Miller Blue Hole, 330
- Sewage treatment plant effluent, effect of, on diatom communities of Portage River, 154
- Seymour, R., book reviews by, 244, 272
- Shurbet, G. L., 273
- South Bass Island, helminth parasites in avian hosts from, 60
- Stratigraphy and pollen analysis of Yarmouthian interglacial deposits in south-eastern Indiana, 226
- Stuckey, R. L., 20, book review by, 272
- Sturgeon, M. T., 141
- Sunlight, adaptations at cell and organelle level for utilizing, 339
- Sweet, W. C., 47
- Taylor, T. N., 287
- Temperature, effects of, on metabolic pattern of  $^{14}\text{C}$  uptake by the moss, *Dicranum scoparium*, 200
- Territorial bird populations, a model for management predictions of, 301
- Third-order transfer functions, application of for edge enhancement of signals from scanned imaging systems, 248
- Trautman, M. B., 162
- United States, environmental education in, status 1974, 390
- Varga, F. J., 325
- Vascular-plant type specimens in Ohio State University herbarium, 20
- Vascular plants of Holmes County, Ohio, 277
- Vessey, S. H., book review by, 140
- Walters, L. J., 1
- Warren Dunes State Park, Michigan, unexpectedly high alkalinities in quartz sands of high dunes, 182
- Weller, L. A., book review by, 260
- Wentz, W. A., 20
- Western Basin of Lake Erie, copper, iron, zinc, magnesium, manganese, and calcium content of, 325
- Western Lake Erie, mercury occurrence in sediment cores from, 1
- Wilson, H. D., 277
- Wu, Pei-Hsing Lin, 200
- Xanthium* leaf extracts, effects of, on lettuce seed germination, 291
- Zlatkin, D., 47
