From I-75, southbound (from Toledo)  
Exit #51 at Edwin C. Moses Boulevard. Turn left and follow Edwin C. Moses Boulevard east to Stewart Street. Turn right and continue on Stewart Street to the University of Dayton entrance at Brown and Stewart Street.

From I-75, northbound (from Cincinnati)  
Exit #51 at Edwin C. Moses Boulevard. Turn right and follow Edwin C. Moses Boulevard east to Stewart Street. Turn right and continue on Stewart Street to the University of Dayton entrance at Brown and Stewart Street.

From I-70, westbound (from Columbus)  
Exit I-70 at I-675. Proceed southbound to state route 35. Go west toward Dayton to I-75. Take I-75 south one exit to #51 Edwin C. Moses Boulevard east to Stewart Street. Turn right and continue on Stewart Street to the University of Dayton entrance at Brown and Stewart Street.

From I-70, eastbound (from Indianapolis and from Dayton International Airport)  
Exit I-70 at I-75 southbound through Dayton and exit at #51 Edwin C. Moses Boulevard. Turn left and follow Edwin C. Moses Boulevard east to Stewart Street. Turn right and continue on Stewart Street to the University of Dayton entrance at Brown and Stewart Street.

- \* Dewey's, 223-0000\*\*, 131 Jasper St. (Off of Brown)

**Coffee**

- \* Starbucks Coffee, 223-2400\*\*, 1134 Brown Street

# THE OHIO ACADEMY OF SCIENCE

## Registration Form

115<sup>th</sup> Annual Meeting

April 21-22-23, 2006

Hosted by University of Dayton

**Advance registration must be received by April 10, 2006**

ALL MEETING ATTENDEES MUST REGISTER: Access to sessions by name tag only. Name tag, information packet and receipt will be available at the meeting. Please return the completed registration form along with the appropriate fees to the address printed below.

**STUDENTS, SPOUSES, OR RELATIVES:** A special discount schedule has been approved to promote and encourage participation of undergraduates, pre-college students, non-science spouses or relatives. All students, non-science spouses, parents or relatives must register using a separate form. This registration does not include membership or meals.

	After Apr 10
Non-science spouse, parent or relative of first author	\$10 \$20

\*Discount Rate for students who are not first author:  
(Does not include membership)

1-4 from same institution	\$20	\$30
5-10 from same institution	\$15	\$20
11 or more from same institution	\$10	\$20

**Each person must use a  
SEPARATE REGISTRATION FORM  
Please copy this form as needed.**

PLEASE PRINT OR TYPE

Circle: Ms. Mrs. Mr. Dr.

FAX 614/488-7629

## Registration Fees

Please check appropriate categories. One fee covers the entire meeting. **Payment must be received by April 10, 2006 to avoid higher rates.** On-site registration will be accepted at the higher rate by credit card or check ONLY. **ONLY first authors have pre-paid registration when they submitted their abstracts and DO NOT NEED to return this form.** First authors are already registered for the meeting.

CURRENT MEMBER REGISTRATION RATE		After Apr. 10
<input type="checkbox"/> Professional	\$65	\$70
<input type="checkbox"/> Retired	\$40	\$45
<input type="checkbox"/> Student	\$25	\$30

**NON-MEMBER PROFESSIONAL AND RETIRED REGISTRATION**  
Includes membership

<input type="checkbox"/> Professional	\$140	\$145
<input type="checkbox"/> Retired with Journal	\$ 80	\$ 85
<input type="checkbox"/> Retired without Journal	\$ 65	\$ 70

**PREREGISTRATION DEADLINE: April 10, 2006**

# Author's Instructions for Preparation of Manuscripts

*The Ohio Journal of Science* considers for publication solicited **Book Reviews** and **Research Reviews**, and unsolicited **Brief Notes** and **Research Reports**. Solicited submissions will be requested by the editor or member of the editorial board. Book reviews will be requested of experts in the subject matter of the book to be reviewed. Research Reviews will be requested to serve as extensive surveys of the literature of an area of science in which Academy members have an interest.

Unsolicited submissions, in the form of presentations of quantitative or qualitative data pertinent to any of the divisions of the Academy listed inside the front cover, will be considered for peer review. Brief notes are manuscripts that are less than 2 printed pages (approximately 6 typed pages) and contain no more than one table, figure or other type of illustration. The editor will identify papers which meet these criteria as Brief Notes if not already categorized as such by the author. Research Reports are those papers which are longer than 2 pages or contain more than one illustration.

All manuscripts will be organized as follows:

**Page 1** - Title, Author(s), Running Head, Abstract

**Page 2 and remainder** -

Introduction,  
Materials and  
Methods,  
Results,  
Discussion,  
Acknowledgments,  
Literature Cited,  
Tables, Figure Legends,  
Figures.

**STYLE.** *The CBE Manual for Authors, Editors, and Publishers*, 6th ed. is used for editorial decisions with regard to style. Manuscripts should be typewritten using 1 inch margins on 8.5 x 11 inch paper. Text should be left-justified using elite print (twelve characters per inch). Three copies should be submitted. Manuscript should be double-spaced throughout, including the title and abstract. Arabic numerals should be used in preference to words when the number designates anything that can be counted or measured (7 samples, 43 species). One exception to this use is that numerals are not used to begin a sentence (Twenty-one species were found in . . .). The 2nd exception is when 2 numeric expressions are adjacent in a sentence. The number easiest to express in words should be spelled out and the other left in numeric form (The sections were divided into eight 4-acre plots).

**TITLE, AUTHOR(S), AFFILIATION(S).** The first page of the manuscript should contain the title, author(s) name(s), the affiliation of the author(s) at the time the research was carried out, a shortened title (running head), and the abstract. The title must be typed in upper and lower case letters as it will appear when typeset. Name(s) of the author(s) should be typed in capital letters below the title. The address (department, institution, city, state, postal code, country if not USA) should appear below the name of the author(s). If more than one institution is to be credited, they should appear in the order of the authors' affiliation. A running head of not more than 38 letters and spaces should be typed in capital letters between the address and the abstract.

**ABSTRACT.** The abstract should summarize the main conclusions and any new methods or procedures critical to the results of the study. It should be 250 words or fewer.

**INTRODUCTION.** The introduction should describe the knowledge that gave rise to the question examined by, or the hypothesis posed for the research.

**MATERIALS AND METHODS.** This section should describe the research design, the methods and materials used in the research (subjects, their selection, equipment, laboratory or field procedures), and how the findings were analyzed.

**RESULTS.** The text of the results should be a descriptive narrative of the main findings, of the reported study. This section should not list tabulated data in text form. Reference to tables and figures included in this section should be made parenthetically in the text.

**DISCUSSION.** This section should compare and contrast the data collected in the presented study with that previously reported in the literature. Unless there are specific reasons to combine the two, as explained by the author in

the letter of transmittal, Results and Discussion should be two separate sections.

**ACKNOWLEDGMENTS.** Colleagues and/or sources of financial support to whom thanks are due for assistance rendered in completion of the research or preparation of the manuscript should be recognized in this section rather than in the body of the text.

**LITERATURE CITED.** References to scientific literature should be arranged alphabetically by first author's last name using the Name/Year (N-Y) method as described in the *CBE Manual*.

Journals

Author(s). Year. Article title. *Journal title* volume number (issue number): inclusive pages.

Thomison JB. 1988. Uniform requirements for manuscripts. *South Med J* 81(8):947-52.

Form of citation: (Thomison 1988)

Books

Author(s). Year. Title. Place of publication: publisher name. Number of pages.

Voet D, Voet JG. 1990. *Biochemistry*. New York: J Wiley. 1223 p.

Form of citation: (Voet and Voet 1990)

Multiple author citation: (Steiner and others 1992)

**TABLES.** Tables must be typed double-spaced, one table to a page, numbered consecutively, and placed in the manuscript after Literature Cited. Since tables must be individually typeset, consolidation of data into the smallest number of tables is encouraged. A horizontal double underline should be made beneath the title of the table, and single underlines should be made the width of the table below the column headings and at the bottom of the table. Do not use vertical lines, and do not place horizontal lines in the interior of the table. Footnotes should be used to clarify possible questions within the table, and should be noted by asterisks, daggers, or other symbols to avoid confusion with numerical data.

**FIGURES.** All illustrations are referred to as "Figures" and must be numbered consecutively. Figures may be photographs, hand-drawn or computer generated drawings in black ink. Each figure should be identified along the top edge with the name of the author(s) and figure number, and on the back with name of author(s) and manuscript title. Illustrations other than those generated by the author(s) must bear permission for use and credit to the originator. ORIGINAL ARTWORK WILL NOT BE RETURNED UNLESS SPECIFICALLY REQUESTED AT TIME OF SUBMISSION. Each figure must have a complete legend. The legend should not be placed on the figure, but should be typed in order, double-spaced, on a separate sheet which precedes the figures in the manuscript. Figures should be referred to parenthetically in the text, for example (Fig. 1). The size and proportion of each illustration should be suitable for reduction. Excessive white space should be avoided. Illustrations will be reduced to one column width (3 and 3/8 inches) or two column width (7 inches) at the discretion of the editor. Lettering should be done of a size to ensure that it can be read after reduction. On maps and other illustrations where original size is a concern, a graphic scale should be incorporated into the figure.

**FOOTNOTES.** Text footnotes **should not be used** with the following exceptions. A footnote to the title will be added editorially to state the dates of manuscript submission and revision. A footnote to name(s) of author(s) may be used to indicate present address different from that at which the research was done, or to indicate the author to whom inquiries should be directed. All other material or comments must be incorporated into the text. Literature Cited should not be inserted as footnotes. Footnotes to tables are permissible, and are encouraged to promote clarity.

Attention to the above instructions will minimize the need for revision and editorial correction, and will shorten the time from submission to publication. Any questions which are not answered by these instructions, or by consulting the *CBE Manual for Authors, Editors, and Publishers*, 6th Edition, should be addressed to the editor.

# EXPLORE SCIENCE *and discover yourself.*

Apply now for summer 2006 Courses

F.T. Stone Laboratory, The Ohio State University's Island Campus on Lake Erie, offers over 30 college credit courses to undergraduate and graduate students, educators, and outstanding high school students every summer.

[www.stonelab.osu.edu](http://www.stonelab.osu.edu)

Learn how you can earn one to five science credits in just a few weeks at **STONE LABORATORY**.

## STONE LABORATORY'S SUMMER 2006 COURSE OFFERINGS

### Introductory Courses

Open to college and select high school students. To qualify, high school students must have completed their sophomore year, be 15 years of age or older, and have completed one course of high school biology prior to the beginning of the course.

#### One Week *3 quarter credits; classes meet daily*

- Aquatic Biology (offered three times)  
(July 2-8; July 23-29; July 30-Aug. 5)
- Field-Based Oceanography (June 25-July 1)
- Insect Biology (June 18-24)
- Lake Erie Sport Fishing (June 11-17)
- Study of Birds (June 11-17)

### Courses for Educators

Open to educators and education majors with junior rank or above by summer 2006.

#### One Week *3 quarter credits; classes meet daily*

- Curriculum Development & Evaluation for Great Lakes and Environmental Education (June 18-24)
- Earth Systems Education (July 16-22)
- Field Ecology (June 11-17)
- Geologic Setting of Lake Erie (July 15-21)
- Insect Biology for Teachers (July 23-29)
- Local Flora for Teachers (July 9-15)
- Marine and Aquatic Education (June 11-17)
- Ornithology for Teachers (June 25-July 1)
- Principles of Oceanography for Science Teachers (July 2-8)
- Stream Ecology for Teachers (July 9-15)

### Upper-Level Courses

Open to undergraduate and graduate students; professional biologists and ecologists; and biology and general science teachers.

#### Term 1 **Five Weeks (June 18–July 19)**

*5 quarter credits; classes meet three days a week*

- Field Zoology
- Ichthyology
- Introduction to Ecology
- Natural History of Ohio

#### Term 2 **Five Weeks (July 20–August 19)**

*5 quarter credits; classes meet three days a week*

- Aquatic and Wetland Flora
- Evolution
- Fish Ecology
- Limnology

#### One-Week *3 quarter credits; classes meet daily*

- Biocomplexity: Large Lake–Human Interactions (Aug. 6-12)
- Ecology and Management of Wetland Birds (July 9-15)
- Field Ecology (June 11-17)
- Individual Studies in Herpetology (June 11-17)

#### 1–13 Days

- Current Topics in Environment & Engineering  
*1 quarter credit; 7–8 evening seminars* (June 15-Aug. 17)
- Diagnostic Field Plant Pathology  
*3 quarter credits*; (Aug. 13-23)
- Experimental Design in Ecology and Natural Resources Management *5 quarter credits*; (July 30-Aug. 11)
- Ichthyoplankton Identification Workshop  
*1 quarter credit*; (June 18)

### Non-Credit Workshops

Open to the public (18 years and older), and college students as **non-credit** courses. Register directly through the Columbus Office for these three-day workshops.

- Lake Erie Islands Photography Workshop (July 7-9)  
*(Digital camera required)*
- Lake Erie Sport Fishing Workshop (July 21-23)

Plan now to attend **STONE LAB** in 2006.
