

Maury

Lynsey Kamine

From the halls of the University of Pennsylvania,
to the chapel with Connie Chung,
to the set of the *Maury* show starring
Maury Povich. He holds the results of DNA

tests and lie detector truths
in an envelope. Is little Richard avoiding big
Nakisha's pudgy lovin'? Hickeys from a
zipper pulled over his two timing thighs

don't say otherwise. His longest
running show since *A Current Affair*,
daytime talk of karaoke sex on parade.
Dominique seduces Paul with chicken

tetrazzini while Alycia is home with the baby.
Butter, parmesan cheese and mushrooms mixed
in a sexy bowl of love makin'. "He got a taste
of my chicken noodles and he ain't goin' back to yo'

Campbell's ass" Thick and creamy
like Maury's gray head of hair. Alycia cries
on his shoulder because Paul gone done it again.
The glitter on Jor-Dann's cheeks must be from

the dog next door, no \$3.00 hooker or a midnight
whore. "I swear I didn't cheat. I swear to Jesus
I didn't." If your wallet doesn't have your kids'
pictures in the folds, if you're not

sure which ones are yours, then call
1-888-45-MAURY. That's 1-888-45-MAURY.
