
MEETING OF THE BIOLOGICAL CLUB.

ORTON HALL, Nov. 5th, 1906.

The meeting was called to order by the President, Mr. Griggs. After the Club came to order the minutes of the previous meeting were read and approved.

Prof. Osborn, as chairman of the committee on nominations of officers, reported the following names: President, J. C. Hambleton; Vice President, C. R. Stauffer; Secretary and Treasurer, J. N. Frank.

On the motion of Prof. Schaffner the report was adopted as read.

Prof. Hambleton then took the chair.

Prof. Osborn then reported the work of the committee appointed to make arrangements for entertaining the Ohio Academy of Science during its annual meeting.

Prof. Griggs then gave the annual address of the retiring President on "A Comparison of the Forests of the West Coast with those of the Tropics."

Prof. Hubbard reported a remarkable case of variation in the drift east of Goodale Park.

Mr. Lon Hawkins was elected to membership.

The Club then adjourned.

Z. P. METCALF, Secretary.
