
GRANTS IN AID OF RESEARCH

The Ohio Academy of Science has available a limited amount of funds to allot in aid of research projects. Applications for such aid should give a statement of the project, an estimate of expenses, and indication of time involved. Payments on grants may be made on submission of a statement of expenditures incurred and results secured. On publication acknowledgment should be made of source of grant. Address application or enquiries to chairman of Trustees, Research Fund, Herbert Osborn, Ohio State University, Columbus, Ohio.
