# Announcements

MR. KENNETH D. HOBBS has been named the first full-time Executive Secretary of The Ohio Academy of Science.

DR. RICHARD P. GOLDTHWAIT, President, made the announcement at the Academy's sixty-eighth annual meeting on April 17.

Central offices for the Academy will be established in Columbus before July 1, at which time Mr. Hobbs will assume his duties.

The newly appointed Executive Secretary will institute additional Academy programs designed to improve science teaching in the schools of Ohio, to establish closer science-industry cooperation, and to strengthen public relations of the Academy.

## THE MOST VERSATILE PHASE MICROSCOPE EVER MADE

### PHASESTAR by AO-Spencer

Phasestar building block concept of design, exclusive with AO-Spencer, offers you a new freedom of choice in the selection of your phase microscope and equipment. Over 50 different combinations can be assembled from the interchangeable bodies, stages, bases, and phase optics. Select the model that suits your present needs and be assured that future needs can be met economically by simply adding the necessary parts. For complete details see:
