Human Resources

Current information unavailable at the time of publication.

To comply with University procedures, employees who are applying for listed vacancies must complete a Promotion/Transfer Request (form 8931, Rev 9/97) during the week of the first listing of the vacancy in the University Personnel Posting (green sheet). To ensure awareness of all library vacancies which have been posted, applicants should consult the weekly green sheet rather than relying on the listing in NEWS NOTES Online and are encouraged to attach a resume and/or other supporting documents to the form. Prospective faculty and staff applicants who are absent during the five-day posting period and wish to apply should see Toni Morrison.
