**DISTINGUISHED TEACHING AWARD RECIPIENTS NAMED** - Well deserved Congratulations go to Dr. Rodney Null, Associate Professor of Mathematics in the General Studies Department of Lima Technical College, and to Dr. Robert Gross of the Ohio State University Geography Department. Many fine instructors were nominated this year and the decision was difficult to make. The Student Body want to thank ALL those special professors who make that extra effort to help their students. Your concern does not go unnoticed and unappreciated!

**STUDENT SENATE ELECTIONS MONDAY** - Be sure to cast your vote for President and Vice President of the Student Senate on Monday June 1 from 10:00-2:00 in Galvin Lobby. This is an important election! These people will be your student leaders next year. Lima Campus is fortunate to have two excellent slates of candidates asking for your vote. Slate #1 is Michael Kirkpatrick, President; Connie Kistler (OSU) and Laura Miller (LTC) as his Vice Presidents. The 2nd slate of officers is Matt Warren, President and Scott Burns (LTC) and Julie Wildermuth (OSU) as his Vice Presidents. Each presidential candidate runs with a Vice President from both OSU and LTC to ensure broad representation. These are all qualified and committed people. **DON'T FORGET TO VOTE!**

**LAST CALL FOR LOST AND FOUND** - If you have lost anything during the present academic year, this is the last chance for you to reclaim it from Lost and Found in the Student Activities Office (GA066). After this week ALL items will go to non-profit organizations - or into the circular file!
