ON YOUR 91st ANNIVERSARY

We applaud the efforts of
the Ohio Academy of Science
to promote awareness of
scientific innovation and discovery.

Further, we believe your concern
shows considerable vision—because
the success of American business
and the quality of life we share
will ultimately be a measure
of our mutual ability to solve problems.

OHIO SCIENCE HONOR ROLL

The work of The Ohio Academy of Science would not be possible without the generous support of the following corporations, institutions, foundations, agencies and organizations. They deserve special recognition for their valuable contributions to Ohio's scientific community. On behalf of the membership, we extend our sincere thanks.
