

## ANNOUNCEMENTS

**Abstract Deadline**—December 1, 1979 for papers to be presented at University of Toledo meetings of The Ohio Academy of Science April 18–20, 1980.

---

**Developing Science and Technological Resources for the Governor.** The National Science Foundation is sponsoring a program administered by the Ohio Department of Economics and Community Development in conjunction with the Ohio Academy of Science to prepare a plan to assist the Executive Branch of Government in the use of Ohio's science, technological, and engineering resources. A steering committee of distinguished Ohioans has been formed and participation by interested individuals is encouraged. For further information, please contact: Lynn Elfner, The Ohio Academy of Science, 445 King Ave., Columbus, OH 43201.

---

**Holden Arboretum** does not offer financial assistance for research projects, but is able to provide limited housing as well as close cooperation and support for short or long term ecological projects. The Holden Arboretum would like to encourage research-interested groups or individuals to contact Peter W. Bristol, Horticulturist, or Paul C. Spector, Director of Education, 9500 Sperry Road, Mentor, Ohio 44060.

---

**The 4th International Symposium of the Morphological Sciences** will be held at the Medical College of Ohio at Toledo August 1–5, 1979. Further information can be obtained from Dr. Liberato J. A. DiDio, Dean of the Graduate School, Medical College of Ohio at Toledo, C. S. 10008, Toledo, OH 43699.

---

**Annual Meeting of the National Nature Conservancy** organization will be held in Cincinnati on September 20–23, 1979, with headquarters at the Hotel Netherlands Hilton. For information, please contact Helen Black, Chairman, at 5900 Drake Road, Cincinnati, OH 45243.

---

**Geobotany Conference at Bowling Green March 1, 1980.** The theme will be Geobotany: an integrating experience. There will be papers in paleobotany, palynology and ecology as well as papers submitted by interested participants. Please contact Dr. Robert C. Romans, Biological Sciences, Bowling Green State Univ., Bowling Green, Ohio 43403.

---

**Errata:** The common name of the snake described in the Brief Note, Ohio Journal of Science 79: 78, 1979 is copperhead. This name was misspelled in the title of the note and in the table of contents.
