

Laser Building

Herrick Archives Number 010

A. IDENTIFICATION & LOCATION

1. Name

1.1 Never officially named by Board of Trustees action.

1.2 Alternate names noted:

None noted.

2. Location

2.1 Located at 2827 Kenny Road. See map below.

2.2 For greater detail, see Sheet 17 in the book of campus maps in the University Archives.

For identification of other buildings shown, see Appendix A.

3. General Description

3.1 Type of construction:

A small wooden structure atop a pole.

3.2 Present area of building as shown in inventory records of Office of Campus Planning:

120 sq. ft. gross; 99 sq. ft. net assignable

3.3 Volume of Building:

1500 cubic feet (PP).

B. PLANNING & CONSTRUCTION

This building was not constructed under contract. According to records of Mr. Robert Fouty, Executive Director of the ElectroScience Laboratory, the building was constructed in 1963. It was completed late in the year, probably about November.
