Or you might want to bring a little happiness to a child with the donation of a NEW toy or game. Whichever you choose to do will be appreciated by local needy children. Collection boxes for toys and games are located in the lobbies of all the buildings. The Toys for Tots drive will continue through December 9.

**QUIT AND WIN!** - You've been promising yourself you'd quit smoking in 1993. Well, now's the time to put those words into action, and win one of the wonderful prizes like a weekend trip for two and memberships in the YMCA and YWCA that will be awarded to the top new non-smokers. You must mail your pledge not to smoke between January 2 and January 31, 1993 into the Allen County Health Department by December 31, 1992. Come on! Give it a try! Stop by Student Activities today and get your application forms!

**DENTAL HYGIENE CLASS RECOGNIZED NATIONALLY** - The American Dental Hygiene Association offered an incentive plan to transfer students members (recent graduates) to professional members of the organization. Those student organizations with a 90% conversion rate would receive a \$100 gift from ADHA. The 1992 LTC Dental Hygiene Class was one of four Dental Hygiene programs (out of 200) to meet the requirements. Congratulations

**HAVE YOU GOT "GLAMOUR"?** - Glamour Magazine is looking for the Top Ten College Women in the U.S. today.
