THE COLLECTION OF MICROFILMS AND PRINTS OF THE  
STAROSLAVENSKI ZAVOD "SV. RITIG" AT ZAGREB

MARICA ČUNČIĆ

The following inventory lists both manuscripts and early imprints and specifies whether their reproduction is in black and white or in full colour. The left hand column gives the current library shelf number, the next column the name of the book or an indication of its contents, followed by the dating (approximate - in Roman, precise - in Arabic numerals). The following column gives particulars of language and script, using the following abbreviations:

	Gr	Greek	La	Latin	
Cy	Cyrillic	Hr	Croatian in Latin script	pr	imprint
Gl	Glagolitic	It	Italian	Sp	Spanish

The two right hand columns show the number of frames available in microcopy (first column) or print (second column), followed by an \* if in colour.
