

Help Preserve Your Natural Heritage!

Ohioans!

You have an opportunity to help preserve your state's rich natural heritage—its natural areas, scenic rivers and endangered species.

A portion of your state income TAX REFUND can be donated to protect Ohio's last remaining natural areas and help preserve its endangered species and scenic rivers.

Your tax deductible contributions are being used to:

- protect significant natural areas and scenic rivers through acquisition
- construct observation towers, nature trails, foot bridges and informative displays
- fund research on Ohio's natural areas and endangered species
- provide educational materials
