

ANNOUNCEMENTS

OHIO ACADEMY OF SCIENCE 1979 ANNUAL MEETING

The 88th Annual Meeting will be held April 20-22, 1979 at Heidelberg College, Tiffin, OH.

The 4th Midwest Biomedical Engineering Conference and Workshop will be held May 4-5 at the Ohio State University, Center for Tomorrow. For further information contact: Herman R. Weed, Director, Bio-medical Engineering Center, Ohio State University, 2015 Neil Avenue, Columbus, OH 43210.

The 4th International Symposium of the Morphological Sciences will be held at the Medical College of Ohio at Toledo August 1-5, 1979. Further information can be obtained from Dr. Liberato J. A. DiDio, Dean of the Graduate School, Medical College of Ohio at Toledo, C. S. 10008, Toledo, OH 43699.

The Annual Meeting of the National Nature Conservancy organization will be held in Cincinnati on September 20-23, 1979, with headquarters at the Hotel Netherlands Hilton. For information, please contact Helen Black, Chairman, at 5900 Drake Road, Cincinnati, OH 45243.

Developing Science and Technological Resources for the Governor. The National Science Foundation is sponsoring a program administered by the Ohio Department of Economics and Community Development in conjunction with the Ohio Academy of Science to prepare a plan to assist the Executive Branch of Government in the use of Ohio's science, technological, and engineering resources. A steering committee of distinguished Ohioans has been formed and participation by interested individuals is encouraged. For further information, please contact: Lynn Elfner, The Ohio Academy of Science, 445 King Ave., Columbus, OH 43201.

The 1979 Summer Planning Program in the Netherlands and Belgium will focus on a study of planning models and approaches with seminars at the National and regional planning agencies in the Netherlands. There will be visitations to the Zuider Zee and Delta Projects, older cities, middle-age cities and new towns. Graduate students and senior level undergraduates are eligible. Contact: Dr. Ashok K. Dutt, Netherlands/Belgium Summer Program Director, Department of Urban Studies and Geography, University of Akron, Akron, OH 44325 (216) 375-7618.

Ward's Natural Science Establishment, Inc., Rochester, New York announces the signing of a contract to publish and distribute the new Crustal Evolution Education Project (CEEP) materials. The materials were developed for high school earth science courses under the auspices of the National Association of Geology Teachers with the support from the National Science Foundation. Dr. Edward C. Stoeber, Jr., Chairman of the Department of Earth Sciences, Southeast Missouri State University, is Project Director.
