

<b>Session</b>	Session 1
<b>Name</b>	Dónal O'Mathúna
<b>Organisation</b>	The Ohio State University and Dublin City University
<b>Country</b>	United States and Ireland
<b>Title of presentation</b>	Welcome
<b>Abstract</b>	<p>This session introduces the PREA conference, Ethics and Humanitarian Research: Generating Evidence Ethically. The conference is opened by Dónal O'Mathúna, Principal Investigator of the PREA (Post-Research Ethics Analysis) research project. The conference is dedicated to the memory of Professor Chesmal Siriwardhana who originally developed the project and died in a traffic accident shortly after the project began. The conference attendees are then welcomed to The Ohio State University by:</p> <p>Prof Jan Weisenberger, Senior Associate Vice President of Office of Research;</p> <p>Prof Wondwossen Gebreyes, Executive Director, Global One Health initiative;</p> <p>and</p> <p>Prof Bernadette Melnyk, Vice President for Health Promotion, University Chief Wellness Officer, Dean and Professor, College of Nursing.</p>
